Dear Sir:

Submitted herewith is one set (five sheets, eight figures) of corrected drawings for filing in the above-identified patent application. Kindly substitute these drawings for the drawings submitted with the originally filed application.

The Examiner objected to the drawings for the reasons stated in the Office Action dated February 21, 2006. Specifically, the drawings must show every feature of the invention specified in the claims. The enclosed new drawing corrects this informality.

Favorable consideration of the enclosed drawings is respectfully requested.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-0591, under Order No. 17198/003001.

Dated: June 20, 2006

Respectfully submitted,
